

Beautiful/Decay: Holiday '07

Friday, 12.04.07

We've been fans of the apparel by **Beautiful/Decay** from the get-go as evidenced by our **favorite updates** on their work. Since we adore their goods so much we see no reason to stop singing their praises, especially not this holiday season. Their latest **Holiday Apparel line** is ripe for gift giving as their killer new collection of hoodies and t-shirts features seriously sick designs from emerging and established artists alike, turning the simplest of items into an utterly wearable canvas.
